EDUCATION

Bachelor of Technology (B.Tech) in Artificial Intelligence & Machine Learning [Uttarakhand Technical University] – [Tanakpur, Uttarakhand] Expected Graduation: [2026]

AWARDS & CERTIFICATIONS

- Machine Learning, Internshala Completed a comprehensive course covering essential machine learning concepts and practical applications.

SKILLS

- Programming Languages: Python, C++
- Frameworks: Django, Flask
- Data Analysis: Numpy, Pandas
- Machine Learning: Model development, Algorithm implementation
- Soft Skills: Problem-solving, Team collaboration, Communication

PROFILE

Dynamic and detail-oriented Django Developer and Data Analyst with a solid foundation in Artificial Intelligence and Machine Learning, currently pursuing a B.Tech degree. Eager to leverage expertise in Python and machine learning frameworks to deliver compelling solutions and data-driven insights in a collaborative environment. Possess hands-on experience in developing predictive models and web applications, demonstrating proficiency in project management and execution..

WORK EXPERIENCE

FRESHER [NO FORMAL WORK EXPERIENCE; HOWEVER, RELEVANT SKILLS AND PROJECTS ARE HIGHLIGHTED BELOW.]

PROJECTS

Car Price Prediction
- Developed a web application using Django that predicts car prices based on various features.
- Implemented machine learning algorithms using Python to analyze the dataset and train the model for accurate predictions.

Movie Recommender System
- Designed a recommendation system using collaborative filtering techniques to suggest movies to users based on their previous ratings.
- Utilized Pandas and Numpy for data manipulation and processing, improving user engagement.

Recipe Project Using CRUD Operations
- Created a full-stack web application for users to manage their favorite recipes,
- Enabled functionalities like creating, reading, updating, and deleting recipes while ensuring a user-friendly interface.

Student Study Portal
- Designed and implemented an online portal for students to access study materials, track progress, and collaborate on projects..
